SAMPLE PLAN PREPARATION AND RECORDKEEPING

Purpose

This instruction defines procedures for sample plan preparation.

Procedures

1. Determine the product(s) and number of lots to be evaluated by reviewing the applicants' production list.
2. Check the applicable history records to determine the level of sampling for each product sampled.
3. Prepare sample plans using the correct forms as listed in the quality plan.
4. After production has been sampled, complete the necessary records to ensure sampling continuity.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
